Dear Mr. Croft

it's been great having you as a coach, and though we haven't always seen eye to eye, it's been great, and you'll be missed as a cross country and track coach. Thanks for everything; you've taught me a lot. Watch out for the aliens, they can strike at any moment.

Thanks, I'll see you next year.

Your inattentive student,

Mike Furrer

Mr. Croft,
Thanks for being such a great coach these past four years. The cross-country and track seasons were a lot of fun. (Remember our last game of capture the flag?) Good luck next year.

- Matt

Mr. Croft,
I feel like I've had you as a coach the past three years. You've taught me so much. Pumping my arms really does help!!! You've done so much work with all of the girls team! Thanks for all your help.

~ Jessie Roberts

Mr. Croft,
Your total dedication is appreciated. I wish you the best of luck in the future.

- Michelle

Danny Ward

Croft,
So many times at track practices I was completely abandoned at the hurdles, with no one to help me or to work with. Then I'd see you working with the guys and sheepishly ask you for help, you did, and I appreciate it greatly. It probably helped me make it to states and shatter my PB. Thanks so much for everything.

Dedication

We, the Class of 1999, would like to dedicate this yearbook to Mr. Croft and Ms. Drake. As our advisors for the past four years, they have helped us realize our fullest potential and allowed us to grow stronger as a class. Though, at times, when life was tough, Mr. Croft and Ms. Drake were always available to catch us, if ever we were to fall. In return, we give them our deepest, heartfelt thanks.

Class of 1999 History

When we began our journey in the fall of 1995, we were unsure of what would lie ahead, but we did know that together we could accomplish great deeds. Along with the expert guidance of our co-advisors, Mr. Croft and Ms. Drake and Executive Board: Emily Eckel, Cassie Baughman, Krista Fila, Jennifer Clair and Lori Hager-we were on our way. The first phase of our excursion was effortlessly completed and we ambitiously continued our climb up the trail.

As we continued along the path, we encountered more challenges than we ever expected. We selected Balfour as our ring company and we also managed to hold a successful candy drive; all with the unique leadership of Jesse Quintin, Cassie Baughman, Krista Fila, Jennifer Clair, and Lori Hager. Our journey up the trail was now half over.

We now realize the importance of unity during the third phase of our expedition. Cassie Baughman, Sarah Humphries, Krista Fila, Jennifer Clair, and Lori Hager led us through this 3rd year phase of self-discovery and self-acceptance. During spirit week, we all came together to transform our hall utilizing a jungle theme and finally recognized that only together would we complete what we had started out to do three years ago. To celebrate, we held our Junior Prom on June 5, 1998, at the Sheraton in Windsor Locks. We danced to "My Heart Will Go On" and we selected Kevin Onofrio and Susie York as our Prom King and Queen. We now realize that very soon our journey would come to a complete end.

Gary Woodruff, Sarah Humphries, Krista Fila, Jennifer Clair and Tiffany DeSousa led the final phase of our expedition. The annual magazine drive came and went with stupendous success! Keeping with tradition, we held our Senior Outing at High Meadows. To celebrate our achievements, we held our Senior Banquet at the Colonnade in Glastonbury on May 28, 1999. With our enthusiastic journey concluded, we were honored with graduation. The trek that we thought would never end was now over and we were now free to pursue our own dreams . . . while never forgetting that our hearts will go on!

students and hear their ideas. I enjoyed taking pictures and creating advertisements. Overall, it was worth it.

Amanda Opalacz

When I joined yearbook at the beginning of the year, I did not realize how much work my position would entail. I created the collage pages of the yearbook this year and spent much of my vacation time doing them. I had a great deal of fun working with such wonderful people. This club is very stressful most of the time, but the end product makes it all worthwhile. I am proud to be part of this year's biggest school publication and one of the best yearbooks this school has seen.

Somaira Altaf

Working on the yearbook has been an enjoyable experience. Through the good times and the bad times, the staff has stuck together and overcome many obstacles resulting in a wonderful yearbook. Memories have thus been made and will be cherished forever. Taking part in the making of the yearbook has allowed me to make new friends and value the importance of hard work and dedication. Overall, it was very rewarding.

Jess Ugolik

Working on the yearbook was a fulfilling and enjoyable experience for me this past year. It has presented me with difficult responsibilities. Even though it was stressful at times we always came through. In the end, it was a rewarding project.

Molly Roehl

It's a lot of work to be a member of the yearbook staff, but it's also fun. The best part is looking at all the pictures before they're put in the yearbook. The advisors, Mrs. Malin and Mr. Cezus are also very helpful in getting all the work done.

Stephanie Hayes

When I first started working on the yearbook staff, I thought it would be easy. I soon found out that yearbook takes a lot of hard work and dedication. I found working on the yearbook staff this year to be very rewarding and memorable. I am very excited to see our final product!

Beth Siekiera

It is fun to be on yearbook because you can see all of the great pictures before they are put into the yearbook. However, it is hard work to match everybody's face to a name, so you have to be organized too. Listening to Mr. Cezus and Mrs. Malin makes it more enjoyable, which is why I don't mind the work.

Sarah Humphries

What can I say? It has been a challenge! As the editor, this yearbook has taken the majority of my time, effort, and sometimes even my sanity, but I've learned a lot about myself and my capabilities as a person along the way. The experiences I have survived through and memories I have of this organization are those that I will remember and carry with me for a lifetime.

Joe Niejako, Jr.

Yearbook, for the past years, has given me a lot. I worked with others, learned from them and taught them. I learned valuable skills. It has its ups and downs. There is a slight degree of stress, but the degree of success is well worth it. I will hold on to a lot of good memories.

Mike Randazzo

Working on yearbook was fun and rewarding. I got to use my imagination to do the graphics on the computer. I was also able to interact with other

Freshman Executive Board

Advisors: Mrs. Percival & Mr. Anderson

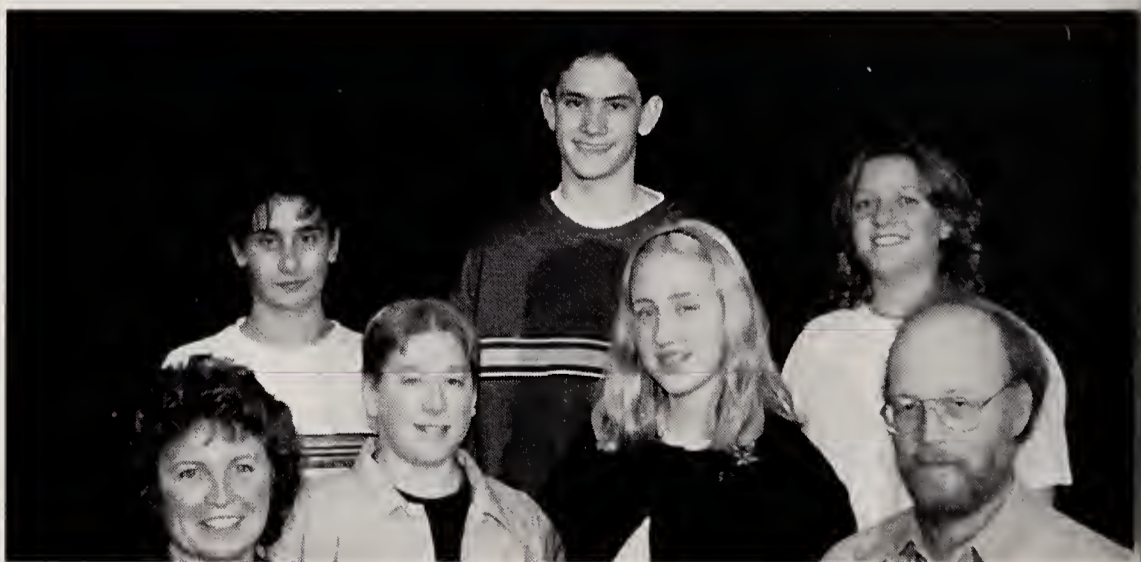

The Freshman Executive Board is extremely important. We have the responsibilities of deciding what activities and fund raisers should take place during the year. These activities and fund raisers offset the cost of trips and activities offered to the freshman class, as well as deferring the costs of graduation in 2002. We work very hard to make the activities offered as interesting as possible, hoping to involve as many freshmen as possible.

We hope more and more students from grades 9-12 will participate in working on and contributing to this publication.

Each deed we do a simple thing;
Yet day by day is one life's strand;
We work with patient heart and hand;
It gathers joy, makes dark days bright;
And gives us at least a lovely light.

LEADERSHIP

Even the largest army is nothing without a good general.

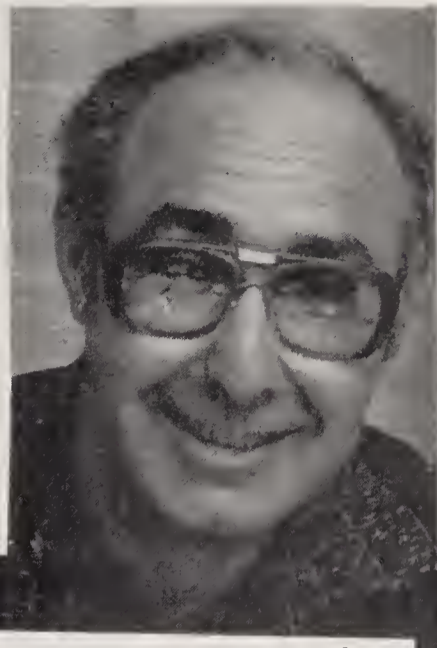

Action is the proper fruit of knowledge.

What you do to others will bear fruit in you.

When one chief dies, another arises.

Blackfoot (Native American)

Don't let grass grow on the path of friendship.

Life without a friend is death without a witness.

Better one true friend than a hundred relatives.

FRIENDSHIP

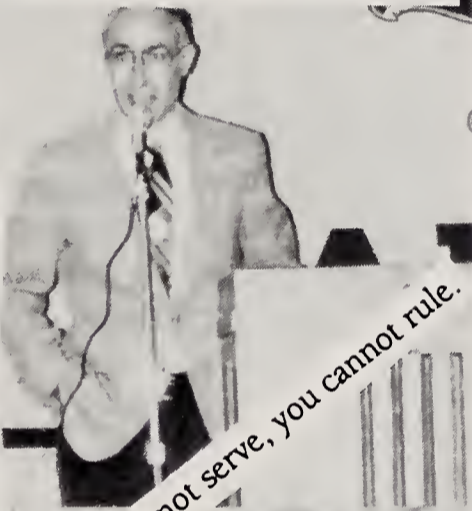

Learning makes people fit company for themselves.

Instruction in youth is like engraving in stone.

Moroccan

The one who teaches is the giver of eyes.

If you cannot serve, you cannot rule.

Whoever has walked with truth generates life.

EDUCATION

Doubt is the key to knowledge.

GENEROSITY

Good people, like clouds, receive only to give away.

Life is the greatest bargain—

The master of the people is their servant.

If you have, give; if you lack, seek.

LIFE AND LIVING

A friend—one soul, two bodies.

Danish

If the townspeople are happy, look for the chief.

Mr. Croft

I was honored to have my first year with you. Without your help I never could have done so well. Thanks For this year and your time.

Mike Mosher

Mr. Croft

It's been a great track season only I wish I came out 3 years ago. It was a pleasure having you as a coach. I just glad I had you in the end of your coaching career. Take care you been a good coach.

Mike Fulginiti

Mr. Croft

Thanks for the great coaching and inspiration in cross country. It would have been great if I could work with you in track but I missed my last opportunity. You truly shaped me into what I am now and helped me learn to try my hardest. You were the best coach and I hope life treats you well.

Mr. Croft,

Thanks a lot for the great season. I had a lot of fun. Even when I was sunning I was having fun. Good luck with your future!

Ben Bowry

Mr. Croft,

you're the best coach I've ever had. Thank for everything you've done for me this year. I'm really gonna miss you when I go over. I wish you the best of luck with next track teams and your life.

Vladimir Kusovac
(MONTENEGRO)

It has been a great three years with you. From X-country to track, you have believed in me. For this and all the work you put into me, I thank you. You are a great coach and a great friend. It has been a great job. Thank you so much.

Your student,
friend and athlete
David Mosher

Thanks! Bob Kuester

Mr. Croft, you've been a great coach, but a better teacher. Remember there are more scholarships for academics than athletics.

Thanks
